

HOOGHLY MOHSIN COLLEGE

Estd: 1836

PROSPECTUS: 2021-2022

The College

Situated in a quiet corner of Chinsurah, the headquarters of Burdwan Division and Hooghly District, **Hooghly Mohsin College** is one of the premier academic institutions of India, promoting the cause of higher education for one hundred and eighty six long years. Following a blueprint prepared by **Macaulay** and with the help of a trust fund of the legendary philanthropist **Haji Mohammed Mohsin**, the college started its journey on the 1st day of August, 1836 in **Perron's** house, a magnificent piece of architecture overlooking the river, Hooghly.

For the first one hundred years of its existence, the college was known as **New Hooghly College**. On the occasion of its centenary celebrations, the college was renamed as **Hooghly Mohsin College**.

This glorious House of Learning nurtured some of the doyens of the nineteenth century Indian Renaissance. Bankim Chandra Chattopadhyay, the composer of 'Bande Mataram' and other eminent writers of Bengal like Dwijendralal Roy, Sanjib Chandra Chattopadhyay, Rangalal Bandyopadhyay were distinguished students of this college. *Biplabacharya* Jyotis Chandra Ghosh, Mujaffar Ahmed, Kanailal Datta, Bhupati Majumder, Charu Chandra Roy, Pramathanath Mitra, Brahmabandhab Upadhyay, Debendranath Mondal who were associated with this college as students or teachers, dedicated their lives to the cause of Indian Freedom Movement. A versatile genius, Judge and Jurist, wise leader, writer and historian, Syed Amir Ali was an eminent alumnus of this college of national heritage. Famous scientists such as Dr. Upendranath Brahmachari, Sahairam Basu and J.N. Bhar significantly contributed to Science and Medicine in the global perspective. Noted singers of India like Shyamal Mitra and Satinath Mukhopadhyay who contributed immensely in the cultural world, were students of this college. Since its historic inception as the First Seat of English Education in India in 1836 to the present, this college has been nurturing talents who have always done our country proud. The Main building, the Science Blocks and the cheerful college garden lend quite a unique touch to the ambience of the college campus. Besides the Under Graduate and Post Graduate Departments, the college has a separate Law Section. The college provides its students an excellent setting

where they can recognize and utilize their full potential to pursue higher education, become professionals and eventually play their own roles in the enrichment of the intellectual resources of the country to drive and shape her future. By fostering a family environment where educational, social, and emotional needs are addressed through a holistic approach, the college constantly strives to mould its students into successful and responsible citizens.

The college was affiliated to University of Calcutta since 1857. The college was later affiliated to University of Burdwan since its inception in 1960. Since then the college is a constituent college of the University of Burdwan. On 1st August 2021, the college observed its 186th Anniversary celebrations with due homage to the Founder and noted Alumni who made the college a significant place of higher education in India. The Hon'ble Vice Chancellor, Burdwan University, Prof. Nimai Chandra Saha; the Hon'ble former Vice Chancellor, West Bengal State University, Prof. Basab Chaudhuri; the Principal, Hooghly Mohsin College, Prof. Purushottam Pramanik; distinguished members of the Alumni Association of Hooghly Mohsin College; faculty members; non-teaching staff members and students of the college joined this programme.

Vision:

To impart knowledge and skill to students, to provide them with ample opportunities catering to their needs, and to empower them to meet the challenges on their career path and in life.

Mission:

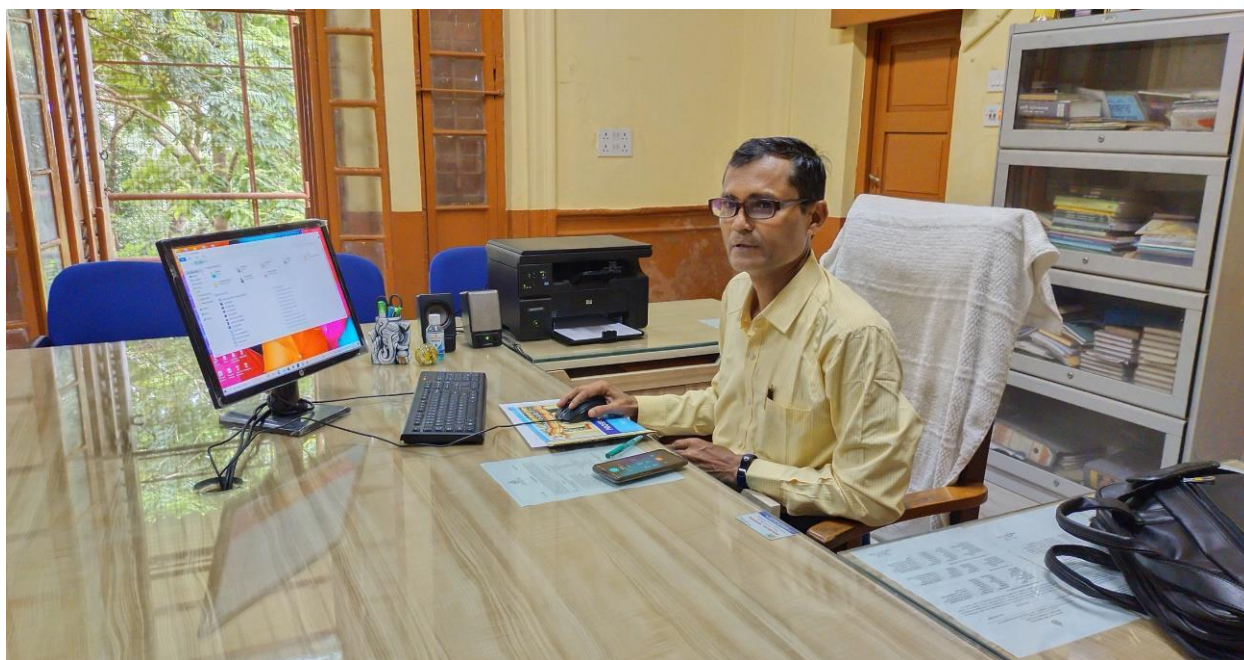

- To provide students an affordable learning environment for the successful completion of degrees
- To prepare students for the pursuit of advanced degrees in chosen courses or allied professional courses
- To prepare students for employment in their chosen or related fields
- To inculcate values and responsibilities among students
- To promote healthy practices

Muhammad Mohsin's Biography

Haji Muhammad Mohsin was a prominent philanthropist in Bengal. Mohsin was born to Haji Faizullah and Zainab Khanam in Hooghly in 1732. He was self-taught and vastly learned in the Quran, Hadith and the Fiqh. He travelled to different countries - Iran, Iraq, Arabia and made pilgrimage to holy places, for he believed that travelling widens the horizon of one's perception. He led a very simple and pious life. In the Government record of 1769-70 he is mentioned as setting up several langarkhanas during the Famine of that period and donating to the Government famine fund. He dedicated all the income from his property for charity and, social and educational causes. It is believed that one- third of his fortune was donated for education and religious programmes, four- ninth was donated for giving pensions to the elderly and disabled and the rest was for the expenses of the two trustees. Because of his generosity he was called Danvir Mohsin.

He was the founder of Hooghly Immambara. He also gave 40 acres of land out of 42 acres for establishing Government BL College, Khulna, Bangladesh. To commemorate his immense contribution in the field of education, many educational institutions in India and Bangladesh have been named after Muhammad Mohsin. Hooghly Mohsin College, formerly known as New Hooghly College in Chinsurah, West Bengal, was established by him. The College was renamed as Hooghly Mohsin College on its centenary day celebration in 1936 to acknowledge the contribution of its founder Haji Muhammad Mohsin to spread education in West Bengal. On 29th November, 1812, he breathed his last.

From the Principal's Desk

**“All of the top achievers are life-long learners;
looking for new skills, insights, and ideas.
If they're not learning, they're not growing
and not moving toward excellence.”**

I welcome you to Hooghly Mohsin College with pride. It is an honour and a privilege to be the Principal of Hooghly Mohsin College, the college that stands for excellence and continuously sets the standard high. This college is an alma mater to which all alumni look back with fond memories. Over its long journey as an esteemed academic citadel, this college has given the country many distinguished personalities and leaders in diverse fields.

We feel happy to provide quality education by equipping our students with skills, confidence and a positive approach with an all round development. The college is relentlessly striving to perceive and maintain academic excellence. At the same time, it encourages the students to participate in various co-curricular and extra-curricular activities. An amiable environment in Hooghly Mohsin College nurtures creativity, passion, resilience and leadership qualities among students for a comprehensive and holistic development.

We value collaborative learning and strongly believe in the importance of teachers, parents and administrators collaborating and communicating to improve the quality of education. Our students are encouraged to engage in the world of a progressive tomorrow with expected skills and attributes. My very competent team of teachers and staff strive to focus on each and every child, nurture them and appreciate their achievement in all spheres.

Empowered with a strong sense of well being, we are confident that our students will emerge as responsible global leaders and citizens with strong moral, ethical and social values.

I wish you the very best.

Dr. Purushottam Pramanik

SEMESTER WISE COURSE STRUCTURES OF B.A./B.Sc. / B.Com. UNDER THE CHOICE BASED CREDIT SYSTEM (CBCS)

Under the CBCS there are broadly **two** course structures- i) **Honours** Course and ii) **Regular/ General** Course. The main components of the courses are as follows:

1. **Core Course** : A course, that should compulsorily be studied by a candidate as a core requirement, is termed as a core course.

2. **Elective Course** : Generally a course, which can chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the discipline/ subject of study or which provides an extended scope or which enables an exposure to some other discipline/ subject/ domain or nurtures the candidate's proficiency/ skill, is called an Elective Course.

2.1 **Discipline Specific Elective (DSE) Course** : A course, which may be offered by the main discipline/ subject of study, is referred to as Discipline Specific Elective.

2.2 **Generic Elective (GE) Course** : An elective course, chosen generally from an unrelated discipline/ subject of study with an intention to seek an exposure, is called a Generic Course.

N.B.- A **Core Course**, offered in a discipline/ subject, may be treated as an elective by other discipline/ subject and vice- versa and such electives may also be referred to as **Generic Elective**.

2.3 **Dissertation/ Project** : An elective course, designed to acquire special/ advanced knowledge, is termed as dissertation/ project. This is considered as a special course involving application of knowledge in solving/ analyzing / exploring a real life situation/ difficult problem. A dissertation/ project work will be of 6 credits. A dissertation/ project work may be given in lieu of a Discipline Specific Elective.

3. Ability Enhancement Courses (AEC) : The Ability Enhancement (AE) Courses may be of two kinds- Ability Enhancement Compulsory Courses (AECC) and Skill Enhancement Courses (SEC).

3.1 AECC : These are the courses based on the contents that lead to knowledge enhancement and consist of Environmental Studies & English/ MIL Communication. These are mandatory for all disciplines.

3.2 SEC : SEC are value- based and/ or skill- based and are aimed at providing hand-on-training, competency, skill etc. It will be minimum 2 for Honours Courses and 4 for General Courses. These may be chosen from a pool of courses designed to provide value- based and/ or skill- based knowledge would contain both theory and lab./ hands-on-training/ field work. The main purpose of these courses is to provide the students life-skill in hands-on-mode so as to increase their employability.

Practical/ Tutorial : One each with every Core, Discipline Specific and Generic Elective Paper.

Internal Complaints Committee

The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 implemented by the Ministry of Women and Child Development, Government of India. The Ministry of Human Resource Development via notification dated 2nd May, 2016 made University Grants Commission (Prevention, Prohibition and Redressal of Sexual Harassment of Women employees and students in Higher Educational Institutions) Regulation, 2015. It is a comprehensive legislation to provide a safe, secure and enabling environment, free from sexual harassment to every woman. This statute was enacted to fill the legislative void which had been partially addressed by the judiciary in *Vishaka and Others v. State of Rajasthan and Others* (1997 (7) SCC 323). In this seminal public interest litigation verdict, the Supreme Court of India had framed a set of guidelines ("**Vishaka Guidelines**") for dealing with instances of sexual harassment at the workplace, which has now been codified in the POSH Act.

Under the POSH Act, an employer is legally required to comply with certain statutory requirements. One of these is the constitution of an Internal Complaints Committee ("**ICC**"), a body envisaged to receive complaints on sexual harassment at the workplace from an aggrieved woman, as well as to inquire into and make recommendations to the employer on the action required pursuant to its inquiry of such complaint made.

UGC Regulation states the responsibility of HEIs to act decisively against all gender based violence against employees and students of all sexes and to reinforce its commitment to creating its campus free from discrimination, harassment, retaliation and any form of sexual assault.

According to Supreme Court Guidelines Sexual Harassment can be defined as unwelcome sexually determined behavior whether directly or by implication as

1. Physical contact and advances
2. Demand or request for sexual favours
3. Making sexually coloured remarks
4. Showing pornography
5. Any other unwelcome physical, verbal or nonverbal conduct of sexual nature.

Objective and Role of ICC

1. To take consistent action for Prevention, Prohibition and Redressal of Complaint received regarding sexual harassment, gender discrimination of women employee at Workplace.
2. Prevent gender discrimination and sexual harassment by promoting gender sensitization among the students and employees.
3. Make recommendations to the administration to lay down the procedures for the prohibition, resolution and prosecution of acts of discrimination and sexual harassment by the student and the employee.
4. Deal with the cases of discrimination and sexual harassment of a women employee in a time bound manner aiming at ensuring support services to the victim and termination of harassment.
5. Recommend appropriate punitive action against guilty party.

6. Constantly keep a vigil on the internal processes to check on the safety parameters for women workers especially.
7. Recommend to the employer on changes that needs to be incorporated in various policies, processes and procedural matters related to safety of employees/prevent any kind of sexual harassment from taking place

There is a common room for the students for playing indoor games. A standard football cum Cricket ground is there near the College premises. Annual Athletic Meet of the college is held in January every year.

Publication

- The College has been publishing an Academic Journal since 2006. "The Academic Journal of Hooghly Mohsin College" (ISSN: 0973-6212) is a biannual multi-disciplinary journal publishing original works of the faculty members.
- The students of several departments also bring out wall magazines regularly.
- Several departments have published online magazines due to the pandemic constraints.
- Bankim-Parishad subcommittee of the College has recently published an e-memoir, *Bankim Chandra Chattopadhyay 184: Recollections and Reflections* on the eve of 184th birth anniversary of our veteran alumni Bankim Chandra Chattopadhyay. A large number of students have contributed to this volume.

Cultural Programmes and Exhibitions

Cultural programs are held on the occasions of the Independence Day, College Foundation Day, Annual Cultural Meet and Fresher's Welcome Ceremony. Bankim-Parishad of the College organizes cultural competitions and debates on the occasion of Bankim Chandra Chattopadhyay's Birthday. The NSS unit of the College arranges debate competitions among students on issues of social concern. A two-day Science and Art Exhibition are held every year with participation from students of different schools and Colleges.

Seminars

- Seminars are regularly organized by different departments, College NSS unit, ICC and Alumni. Several memorial lectures are arranged by many Departments. This year, due to Covid pandemic, all seminars (International/National/State level) have been held on virtual platform.
- The IQAC of the college also works tirelessly in organizing seminars and workshops by inviting resource persons from other colleges and universities and collaborating with them.
- Students from all departments are encouraged to present papers on various topics in regularly held students' seminars on virtual platform. This endeavour would enable them to hone their academic presentation skill.

Students' Council

- The College has a students' Council. This representative body of the students consists of elected student members, who are elected by general students for a term of one year. Principal of the College is its ex-officio President.
- The students' Council plays a useful role in activities such as interclass cultural competitions, Annual Athletic Meet, Saraswati Puja with a grand feast involving all students, Annual Cultural Programme and organization of all Bengal Science and Arts Exhibition under the guidance of a Teacher-in-Charge etc.
- To welcome the new students at the onset of the academic session, the Student Council organizes the Freshers' Welcome each year. This day is dedicated to the freshers to showcase their talents. An electric ambiance is created with the marvellous performances (dance, music, drama, etc.) of both freshers and seniors.
- The Council organizes blood donation camp with an aim to create awareness among students on the significance of donating blood.
- The student's council helps the needy students through Aid-Fund and by providing text and reference books.

Alumni Association

The prestigious site of educational heritage, Hooghly Mohsin College has produced a galaxy of alumni in various fields glorifying the institution since 1836. The list of illustrious alumni is an indication of the stature of the college. Mention may be made of a few like Sri Bankim Chandra Chattopadhyay, the noted poet, novelist and the composer of “Vande Mataram”, D. L. Roy, the famous poet and dramatist and the noted scientist Upendranath Brahmachari. The college has maintained the standard of education down the decades till the 21st century. It has earned its name and fame due to its extremely well-reputed alumni. The Association is actively engaged in organizing seminars, workshops, awareness programmes, cultural programmes, programmes related to nature study etc. thereby aiding the teaching-learning process. It also provides motivation to the students of the college through distribution of awards and medals to those who are meritorious and needy.

Career Oriented Programme

Demand and scope for professionally trained manpower in the fields of Biotechnology and Tissue culture techniques are increasing in the globalized market in the current changing global scenario. To meet this challenge this College has introduced two UGC Sponsored one year certificate Course, namely Tools and Techniques in Biotechnology and Plant Tissue Culture for the students of natural sciences of this College as add-on courses besides their B.Sc or M.Sc Degree.

Brief Abstract of the Deliberation:

A baby looks at a cat once, thereafter can recognize all cats of the planet. Not just that, the baby can analyze all four legged animals without training. How could we design an organic material that could replicate elementary features of a neuron, its components, then self-assemble neuron analogs into an organic-jelly? The futuristic computers will not be relying on extensive software as we find a way to use natural vibrations of materials as periodic loops of vibrations that would replace the existing concept of algorithm by coding. Nested loops of vibrations could act like an algorithm and, driven by Hasse law, they would build an analog of complex algorithms. I would describe a futuristic robotic brain that works by itself.
