10. What are your suggestions in overall improvement of the Institution?

1. Everything is OK.
2. Upgradation to central Wifi and cloud based learning resource for improvement of learning outcome.
3. More teachers and students should be involved in different programmes of the college. Continuous evaluation is needed for improvement of the students. Methods of continuous evaluation must be strict.
4. Some students residing in interior places are facing Network Issues during Online Classes. Better Internet Connectivity may improve Online Classes
5. Infrastructural development is required; more teachers are extremely required since we have PG also; periodicals and journals are necessary
6. More faculty members needed in the Department of Geology, Licensed versions of remote sensing and GIS softwares are badly needed since it has already been included in the syllabus, Development of infrastructural facilities
7. The classrooms and laboratories need to be upgraded
8. Emphasis on Man-making programmes, creation of more Laboratory spaces. reaeation on Working days should be increased
9. Organization a Webber for teachers' training on the improvement of ICT based online teaching..
10. Neutral
11. Few suggestions: An eminent institution would like to excercise the nodal role involving both the students and teachers of its own and neighbouring colleges much more intricately for its overall improvement as well as for the Soccity, which are --i)The students are required to be properly inspired in academics, sports, Physical training, expertised career counseling programs, training to face interviews, conference, science competition, coaching related to different services, beside these teaschers are required to form cluster group along with other college teachers to organize Biodiversity programs, National Sciences day, Anti Pollution day, Non conventional Energy resources research, Non conventional cropping, Seed technology, Developing Parks and Biological Garden in regular frequency, Fishery, Sericulture, Herbal medicine, Food preservation, combating epidemic and calamities, training for social justice to the poor and backward class inspiring thier mortality, socioeconomic support in the domains of education and health along with other holistic approach especially to the children, elderly people and others.
12. Proper maintenance, infrastructural development of the institution are required
13. Very good
14. Regular Cleaning of campus ground and departments is necessary. Students should have their own canteen. Proper common room and toilet for girl students
15. It is a very renowned and well organised institution.
16. Academic autonomy in PG Courses
17. Required huge amount funds for all sorts of development.
18. The costly instruments of different departments require regular maintenance and timely AMC.
19. Provide more opportunities in research work
More motivated teacher. Improvement required in research,inter-net facilities.
Have to focus more on academic activities.

20. With increase in number of teachers and other infrastructural facilities this Institute has immense possibilities to become an ideal one.
21. More infrastructure and ICT facilities.
22. 1. Requirement of Faculty Development Program 2. Refresher and Orientation Program Awareness and Information about the course 3. Program for Exchange of Thought and Interdisciplinary Knowledge between related fields of study/ Course.
23. 1. Academic autonomy for PG course in Political science 2. Filling up of vacant posts. 3. Appointment of guest teachers. 4. Initiation of special classes by the eligible members of departmental alumni. 5. Purchase of current journals of academic interests
24. More spaces needed for the dept, more permanent faculties are needed in the department for UG and PG students
25. Improve Library Facility
26. Our institution Hooghly Mohsin College is doing an excellent job in respect of overall improvement, but some improvements yet to come, i.e. 1. WiFi connection to whole college. 2. ICT Tools instalment to every Department, 3. Auditorium with all facilities, 4. Language Lab, 5. Seminar Hall with all facilities, 6. Urdu Hall should be renovated with AC, 7. KLD & Zachariah Hostels should be renovated with WiFi connection, 8. Demand of ANO, 9. Every Department should have Computer, Xerox, Scanner and Printers, 10. Garden in campus, 11. Open Air Theatre, 12. Open Air Classes facility.
27. The institution is being run well by the Principal and the Department of English is being run well too by the Head of Department. Both of them are profoundly concerned about the administrative and academic development of the college.
28. To give a more emphasis on students' seminar and interaction programmes.
29. Building of toilets and Renovation of labs is urgent. Also overall cleanliness of the campus is necessary
30. It seems good in all the circumstances. I feel very proud of being a part of this Institution.
31. Infrastructural developments are required for overall improvement of the Institution.
32. If everyone gets a right to act equally and speak accordingly
33. 1. More classrooms dedicated to the Department. 2. Classrooms with at least PPT presentation facility. 3. Much improved toilet facilities.
34. Institution must be arrange study room for children
35. Sufficient class rooms, sufficient teachers for the department, internet connectivity, less number of intake of students from present strength (particularly in my department at UG level) etc are immediately needed.
36. All the activities relating to academic and administrative issue should be done quickly.
37. The institution is already good in all purpose..no more suggestion..
38. Infrastructure should be better.
39. Teacher:student of history dept. should be improved
40. More lecture theatres, lab's, ICT needed.
41. Arrange workshops to educate students and teachers about online teaching and learning Overall infrastructure development is needed for improvement of the institution. Faculty members and Classrooms are needed in the department of Hindi.
42. Need to focus on student's attendance
43. More workshop and relevant practical should be incorporated in the curriculum.
44. No comments

45. Need some renovations of practical laboratories. Specially for optic lab (dark room). Dark room needs dust proof room with air conditioner for the sake of students as well as teachers.

46. Always there must be more coordination and more cooperation among the staff members

There is still significant scope for infrastructural development and more research activities.

47. 1. Strong Internet Facility 2. Increase of normal and ICT enabled Classrooms

48. There is space crisis in the Dept. as well as within College campus and sense of discipline of students will give overall improvement of the Institution.

49. Need staff toilet in the department. Campus and classrooms Should be kept clean regularly.

50. Department of hindi is needed more faculty members and class-rooms

51. No suggestion

52. Maintenance of rationales in workload distribution and reduction in disproportionate administrative assignment, balance in teaching and research opportunities in the form of faculty improvement are some of my suggestions for both individual and institutional improvement.

53. The student-teacher ratio in the History Dept of the Institution is very poor. Improvement in this regard is very essential for betterment of learning of the students.

54. Departmental autonomy in matters related to examination is needed

55. Need more class rooms, renovated chemistry laboratories and better infrastructure for research work

56. More opportunities for Faculty development, MOU with other institutions,

Our honourable Principal Sir surely guide the ageold institution in right direction by his soothing and gentle personality with the help of wonderful curtesy and talent.

57. Class rooms should be increased separately in number where two departments use the same class room alternatively. Focus should be given on the cleanliness inside the classroom, washrooms, staff rooms as well as the entire college campus. Water supply is also to be improved.

58. More emphasis on students' moral values.

59. Technical facilities like computers may be given to the departments, departmental classrooms may be increased. Proper Staffrooms for individual departments may be provided.

60. High speed internet facility, virtual classroom, projector, computer, renovation of practical classes are required for department. Please increase the number of ladies toilet, toilet should be clean regularly, water purifiers are very much required with proper services. Another important thing, auditorium for general purpose need to construct. Thank you respected & respective authority for providing us the platform to ventilate our views. Please look into this matter as far as practicable. Thank you very much.

61. Enhanced importance should be given in research and development.

62. To follow-up the instructions issued from time to time

63. College should set up separate room for separate department

64. more class rooms and lab space is required.

65. Number of teaching posts should be increased. All the vacant teaching posts should be filled. Teachers should have some leisure hours which they can spend in the pursuits of their own choice.

66. Teachers should be encouraged to engage in research activities, particularly in the Humanities Section. For this, a research-friendly environment needs to be created. The institution needs to develop a fully-computerized Library, well-equipped with digitalized books and e-journals, catering to the needs of both students and teachers. The College administration should pay more attention on cleanliness and overall maintenance of the college campus.

67. Prestigious premier institution demanding autonomy. Teaching and learning method is universally comparable, so that strong autonomic structure is suggested henceforth.

68. Focus on creating spaces where students can come together. To improve teaching methods, specially, try to take a look at a classroom setting.(Arts Dept.)

69. We need several more room if possible need separate building for PG Department of Commerce and we should develop a good library system.

70. 1. IF THE INSTITUTION BECOMES HONS TEACHING INSTITUTION ONLY, THERE WILL BE BETTER SCOPE AND SPACE FOR ACADEMIC IMPROVEMENT. AT PRESENT THE ARTS AND SOCIAL SCIENCE DEPARTMENTS SUFFER FROM HUGE LOAD OF GENERAL COURSE STUDENTS. 2. MASSIVE INFRASTRUCTURAL DEVELOPMENT IS REQUIRED. 3. PROVISION FOR DIGITAL RESOURCES, SMART CLASS ROOM, SEMINAR ROOM AND WIFI SYSTEM MUST BE THERE TO IMPROVE THE OVER ALL ACADEMIC AMBIANCE OF THIS HERITAGE INSTITUTION. 4. WE NEED NEW BUILDING FOR MORE SPACE. 5. VACANT TEACHING AND NONTEACHING POSTS MUST BE FILLED UP.

71. Construction of animal house and formation of animal ethical committee

72. Infrastructure should be more developed

73. More infrastructural development like increase in the number of classroom under each department and uninterrupted internet facility with adequate number of computer is urgently required for the improvement of the institution. All other things Of the institution are excellent.

74. Development in ICT infrastructure of our college.

75. Upgradation of infrastructures as laboratory redesigning, sufficient and updated instrument required, skilled laboratory staff recruitment, smart class room, web facilities to be developed, campus for recruitment of students, scope of higher training, faculty recruitment according to specialization for PG studies, research grants for faculties, etc.

76. CREATION OF A LARGE NO. OF ADDITIONAL CLASSROOMS WITH MODERN TEACHING AIDS

77. Ok

78. No suggestion

79. No

80. No. of office staffs be increased.

81. Development of the infrastructure and hygienic condition of the college campus is required.

Infrastructure of the College, especially Classrooms are to be increased. A Separate DEPARTMENT OF ECONOMICS, with attached Classrooms should be a great reward for both the Students and Teachers of Department of Economics.

82. All above matters are effective for the improvement of the institution.

83. Uniformity of giving administrative work

84. Improvement of computer based learning and increase the scope of interaction between the teachers and the students.
85. Thorough change in the list of holidays
86. Classroom and staff room must be clean every day. Department toilet is essential.
87. Need a hostel for girls' students
88. To clean the department including laboratories and toilets regularly. Also need to increase the number of non-teaching staff and the number of classrooms.
89. To arrange sufficient classroom and adequate number of non-teaching staff like Laboratory attendant, compounder, bearer, sweeper etc.
90. 1. Subscriptions of more e_journals 2. Cleanliness 3. Scope of Academic Research should be increased for teachers

Overall our college is very good. But I must say to college authority to add geography department for willing students.

আমি বাংলায় বলতে স্বচ্ছন্দ বোধ করি বলে বাংলাতেই বলাই। এই কলেজের অনেক ক্ষেত্রেই উন্নয়নের প্রয়োজন। ১) প্রত্যেকটি বিভাগের স্বতন্ত্র শ্রেণিকক্ষের

Toilets need to be cleaned . Girls toilet should have sanitary napkin machine. Teaching equipments should be improved as well.

I would like to suggest inclusion of basic programming language learning for the UG Chemistry course, 2. Hostel infrastructure espec overall everything is good in this college..good circumstance..😊

Please Take good care of the hostels.

It's always Best to me.

Nothing special as it is going well

1.Cleanliness in college campus 2. Need set up new departments like Education, Sociology, Psychology etc. 3. Enough classrooms 1

re friendly with the students. And our college should have a common room

essors shouldn't be absent so much, the office staff really need to behave properly with the students! More texts and reference books should be arranged in the libraries, the teaching method needs to be two way so that communication skills, confidence and interest in the students grow.

in my department are the best teachers I've ever had and my college experience was overall wonderful.

blem for the outsiders. The second thing that I want to suggest about the extracurricular activities ,the students must be encouraged to do some team work ,project work etc to expand their knowledge along with proper guidance.

this college, I think management should definitely look into this. First of all, the college need an adequate number of good teachers. I have been into IIT and later I joined JNCASR for my Ph.D., as of now we have a very good information about the colleges not only around the state but also across India. We got to know about their overall o of vaction days are much more.
