Action Taken Report

Action Taken Report on the resolutions adopted in the IQAC Meeting held on 19th December, 2025.

Sl. No.	Resolution / Agenda Item	Action Taken
1	Organization of Seminar on Graphene	The Department of Physics successfully organized a specialized seminar on Graphene. Mr. Archisman Panigrahi, research scholar from MIT, Cambridge, USA , delivered an enriching lecture on recent developments in advanced materials. Faculty members and students actively participated in the interactive sessions, which significantly enhanced awareness and research interest in the field.
2	Purchase of Laboratory Instruments & Glassware	Departments submitted detailed requirements for laboratory instruments and glassware based on curriculum and research needs. Quotations were collected and procurement procedures were initiated in accordance with the norms of the Finance Department, Government of West Bengal. Essential instruments and glassware were procured and supplied to the concerned laboratories, thereby improving practical teaching facilities and laboratory efficiency.
3	Formation of Science Club	The Science Club was formally constituted with faculty coordinators and student representatives from different science departments. An annual activity plan was prepared, including science quizzes, exhibitions, invited lectures, and outreach activities. The club commenced its activities with student participation aimed at promoting scientific temperament and innovation.
4	Celebration of National Science Day	National Science Day was celebrated successfully by Science Club with active participation of students and faculty members. Various programmes such as science exhibitions, project demonstrations, poster presentations, competitions, and lectures were organized. The event helped in creating scientific awareness and encouraging creativity and innovation among students.
5	Installation of CCTV Surveillance System (Matters Arising)	The institution communicated with PWD (IT) for preparation of an estimate regarding installation of CCTV surveillance systems across the campus. The preliminary proposal and estimated cost were subsequently forwarded by the Principal to the Higher Education Department for obtaining necessary administrative approval and further action.
