Organised by: NSS Unit, Hooghly Mohsin College

Date: 07 April 2026

Venue: Hooghly Mohsin College

The **NSS Unit of Hooghly Mohsin College** organised a **New Voter Awareness Programme** on **7th April, 2026** with the objective of creating awareness among young students regarding their democratic rights and responsibilities as voters. The programme aimed to encourage eligible students to register themselves as voters and participate actively in the democratic process.

The programme commenced with a welcome address by the **NSS Programme Officer**, who highlighted the significance of informed and responsible voting in strengthening democracy. The keynote speaker, **Dr. Peu Ghosh, Associate Professor and Head, Department of Political Science**, delivered an enlightening lecture on the importance of electoral participation, constitutional rights, voter registration procedures, ethical voting practices, and the crucial role of youth in nation-building. She encouraged students to become responsible citizens by exercising their franchise without fear or prejudice and to remain vigilant against misinformation during elections.

The interactive session that followed witnessed enthusiastic participation from the students. Dr. Ghosh patiently addressed various queries related to the electoral process, voter eligibility, and the functioning of the Election Commission, making the programme both informative and engaging.

To reinforce the knowledge gained during the awareness session, a **Quiz Competition** on electoral awareness and the Indian democratic system was organised immediately afterwards. The students participated with great enthusiasm, demonstrating their understanding of constitutional values, electoral rights, and civic responsibilities. The winners were appreciated for their excellent performance, while all participants were congratulated for their active involvement.

The programme concluded with a vote of thanks, expressing sincere gratitude to **Dr. Peu Ghosh** for her valuable insights and inspiring address. The event successfully sensitised students about the importance of voting and strengthened their commitment towards responsible citizenship, in keeping with the ideals of the National Service Scheme.
