Free Health & Eye Check-up Camp for Underprivileged People

On the Occasion of the Birth Anniversary of Haji Mohammad Mohsin

Organised by: NSS Unit, Hooghly Mohsin College

Date: 01 August 2026

Venue: Hooghly Mohsin College

The **NSS Unit of Hooghly Mohsin College** organised a **Free Health and Eye Check-up Camp** on **1st August 2026** to commemorate the **Birth Anniversary of the great philanthropist Haji Mohammad Mohsin**, whose life and ideals continue to inspire selfless service towards humanity.

The programme was specially arranged for the **underprivileged people from the adopted village and the neighbouring communities**, with the objective of providing accessible healthcare services to those in need.

The camp was conducted by **Dr. Nisha Samaddar, MBBS, MS (Ophthalmology)**, who carried out comprehensive eye examinations, and **Dr. Abhra Ghosh, MD (General Physician)**, who provided general health consultations and medical advice. Both doctors patiently examined the beneficiaries, prescribed necessary medications, and offered guidance regarding preventive healthcare and healthy lifestyle practices.

The programme was inaugurated in the presence of the **Principal of Hooghly Mohsin College**, faculty members, NSS Programme Officer, NSS volunteers, and distinguished guests. The doctors were warmly felicitated with floral bouquets and traditional uttariyas as a token of gratitude for their valuable service.

A total of **60 beneficiaries** received free health and eye check-ups during the camp. The beneficiaries were also provided with **free medicine samples** as prescribed by the doctors. In keeping with the spirit of environmental sustainability, each participant was **greeted with a tree sapling**, symbolising hope, health, and a greener future. Additionally, **food packets** were distributed among all the beneficiaries.

The NSS volunteers actively managed registration, guided patients, maintained discipline throughout the programme, distributed medicines and food packs, and ensured the smooth conduct of the camp. Their dedicated service reflected the NSS motto, "**Not Me, But You.**"

The programme successfully combined **healthcare, environmental awareness, and community service**, truly reflecting the humanitarian vision of **Haji Mohammad Mohsin**. The beneficiaries expressed their heartfelt gratitude to the college, the doctors, and the NSS volunteers for organising such a meaningful and beneficial initiative.

The NSS Unit of Hooghly Mohsin College remains committed to serving society through similar outreach programmes, promoting the values of compassion, service, and social responsibility among students.
