REPORT of Van Mahotsav Celebration (Aranya Saptaha)

Ist Day of Van Mahotsav Celebration (aranya Saptaha) – Welcoming New NSS Volunteers with Saplings

Organised by: NSS Unit, Hooghly Mohsin College.

Venue: Hooghly Mohsin College Campus and College Hostels.

Date: 15.07.2026

As part of the ongoing **Van Mahotsav** celebration, the **NSS Unit of Hooghly Mohsin College** successfully observed the **second day** of the programme with a unique initiative to promote environmental awareness and welcome newly enrolled NSS volunteers.

The programme commenced with a brief address by the **Principal** and the **NSS Programme Officer**, who highlighted the significance of Van Mahotsav and the responsibility of young volunteers in protecting nature. The newly inducted NSS volunteers were warmly welcomed into the NSS family and were encouraged to uphold the motto "**Not Me, But You**" through dedicated service to society and the environment.

To mark the occasion, each new volunteer was presented with a **tree sapling** as a symbol of commitment towards environmental conservation. The volunteers pledged to nurture the saplings and actively participate in future plantation and sustainability initiatives undertaken by the NSS Unit.

As a part of the day's activities, NSS volunteers also carried out a **tree plantation drive in the premises of the college hostels**, planting a number of saplings to enhance the green cover of the hostel campus. The initiative aimed to create a more sustainable living environment for the hostel residents while instilling a sense of environmental responsibility among the volunteers.

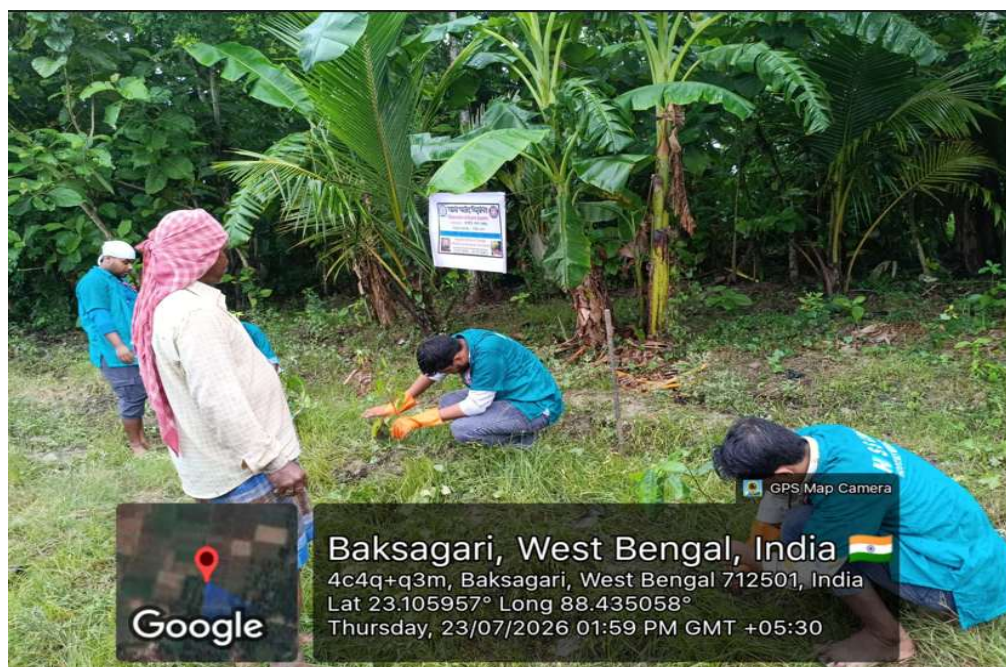

2nd Day of Van Mahotsav Celebration – Tree Plantation (Aranya Saptaha)

Organised by: NSS Unit, Hooghly Mohsin College.

Venue: Hooghly Mohsin College Campus and College Hostels.

Date: 23.07.2026

In the observation of Aryana Saptaha, the NSS unit of Hooghly Mohsin College organised a tree plantation and distribution programme near a village named Bakshagarh, Jirat, where the volunteers planted almost 30 trees and distributed 120 tree saplings among the ten dedicated villagers who promised us to maintain those trees with care, though that was a rainy day but our dedicated volunteers succeed that program.
