Report on Campus Cleaning Programme

Organised by NSS & NCC Unit, Hooghly Mohsin College

Date: 03 January 2026

A Campus Cleaning Programme was successfully organised by the NSS Unit in collaboration with the NCC Unit of Hooghly Mohsin College on 03.01.2026 as a part of Students' Observation Week. The programme commenced at 9:00 a.m. in the college campus.

The programme was conducted under the guidance of the Principal Sir with active participation from NSS student volunteers. The Honourable Principal of Hooghly Mohsin College, along with several faculty members and non-teaching staff were present on the occasion, lending their support and encouragement to the initiative.

The primary objective of the programme was to create awareness among students about the importance of cleanliness, hygiene, and environmental responsibility. The volunteers enthusiastically participated in cleaning various areas of the college campus. Necessary cleaning materials were arranged beforehand, and the activities were carried out in an organised and disciplined manner.

The presence of the Principal and faculty members greatly motivated the students and highlighted the collective responsibility of maintaining a clean and healthy campus. The programme also fostered a sense of teamwork, discipline, and social responsibility among the students.

The Campus Cleaning Programme concluded successfully with a brief interaction, where the importance of cleanliness in academic institutions and daily life was emphasised. The event was a meaningful contribution towards promoting civic sense and environmental awareness among students during Students' Observation Week.
