## **Report on Census 2027 Self Enumeration Awareness Programme**

**Hooghly Mohsin College, Chinsurah, Hooghly**

**Organised by NSS Unit**

**Date:** 13 August 2026

**Venue:** P1 Room

**Time:** 3:00 p.m.

The NSS Unit of Hooghly Mohsin College organised an awareness programme on Census 2027 Self Enumeration on 13 August 2026 at 3:00 p.m. in the P1 Room of the college. The programme was conducted in accordance with the awareness initiative of the Department of Higher Education, Government of West Bengal, encouraging students and citizens to participate in the Self Enumeration process during the period from 1 to 15 August 2026.

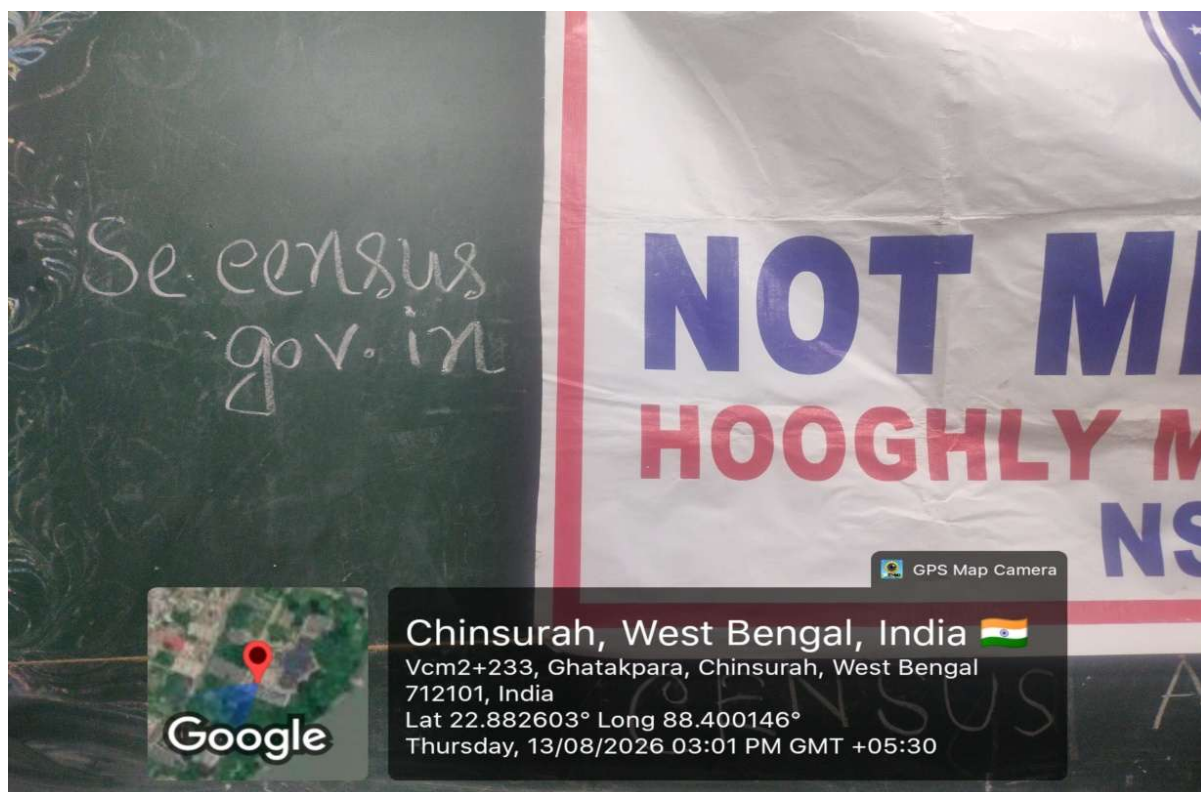

Nearly 100 students and NSS volunteers participated in the programme. The students were informed about the importance of Census 2027 and the role of Self Enumeration in ensuring accurate and reliable population data. They were encouraged to use the official portal [se.census.gov.in](http://se.census.gov.in) to provide the required information for themselves and their families.

The programme highlighted how active participation in the Census contributes to better planning and implementation of public services, including education, healthcare, employment opportunities and other welfare initiatives. Students were also encouraged to motivate their family members, friends and neighbours to participate in the Self Enumeration process.

The session created awareness among the students about their civic responsibility and the importance of contributing accurate information to the national Census. The enthusiastic participation of the students and NSS volunteers made the programme successful and meaningful.

The programme concluded with an appeal to all students to “Count ourselves for a Stronger West Bengal” and to encourage others to participate in Census 2027 Self Enumeration.

### Some glimpses of the Program
