Report

The Internal Quality Assurance Cell (IQAC), Hooghly Mohsin College successfully organized a Seminar Lecture on 24th September 2024 at 12:00 noon to provide valuable career guidance to students aspiring to build a future in the education sector.

The seminar was delivered by Mr. Agniva Pal, Assistant Professor, School of Education, Outreach Team and School Connect, Azim Premji University. The lecture focused on the topic "Careers in the Education Sector."

The programme was attended by faculty members, students of UG Semester VI (Pass-out), UG Semester V, PG Semester IV (Examination Completed), PG Semester II, and alumni of the college. The participants enthusiastically attended the session and actively interacted with the speaker during the discussion.

Mr. Pal provided a comprehensive overview of the diverse career opportunities available in the education sector, extending beyond conventional teaching professions. He highlighted emerging career avenues in educational research, curriculum development, educational leadership, policy making, teacher education, educational technology, school administration, and community outreach programmes. He also discussed the skills, qualifications, and professional competencies required to excel in these fields.

The interactive question-and-answer session enabled participants to clarify their doubts regarding higher education opportunities, career planning, and professional development. The speaker encouraged students to pursue lifelong learning and develop critical thinking, communication, and leadership skills to succeed in the rapidly evolving educational landscape.

The seminar proved to be highly informative and inspiring. It broadened the participants' understanding of the education sector and motivated them to explore diverse career opportunities. The programme concluded with a vote of thanks to the distinguished speaker, the Principal, the IQAC, faculty members, and all participants for making the event a grand success.
