

REPORT ON SEMINAR ORGANISED BY IQAC

Date: 11th March 2025

Venue: P1, S N Building

Speaker: Smt. Susmita Haldar

Topic: Patent, Copyright and Plagiarism: A Discussion on the Intellectual Property Rights in Research activity.

Report: The Internal Quality Assurance Cell (IQAC), Hooghly Mohsin College, organized an informative lecture titled "Patent, Copyright and Plagiarism: A Discussion on Intellectual Property Rights" on 11th March, 2025 at P1 Room, S. N. Bose Building. The programme was arranged with the objective of creating awareness among students, faculty members, and researchers regarding the significance of Intellectual Property Rights (IPR) in academics, research, innovation, and creative works.

The resource person for the session was Ms. Susmita Haldar, who delivered an engaging and insightful presentation on the various dimensions of Intellectual Property Rights. She explained the fundamental concepts of patents, copyrights, trademarks, and plagiarism, highlighting their importance in protecting intellectual creations and encouraging innovation.

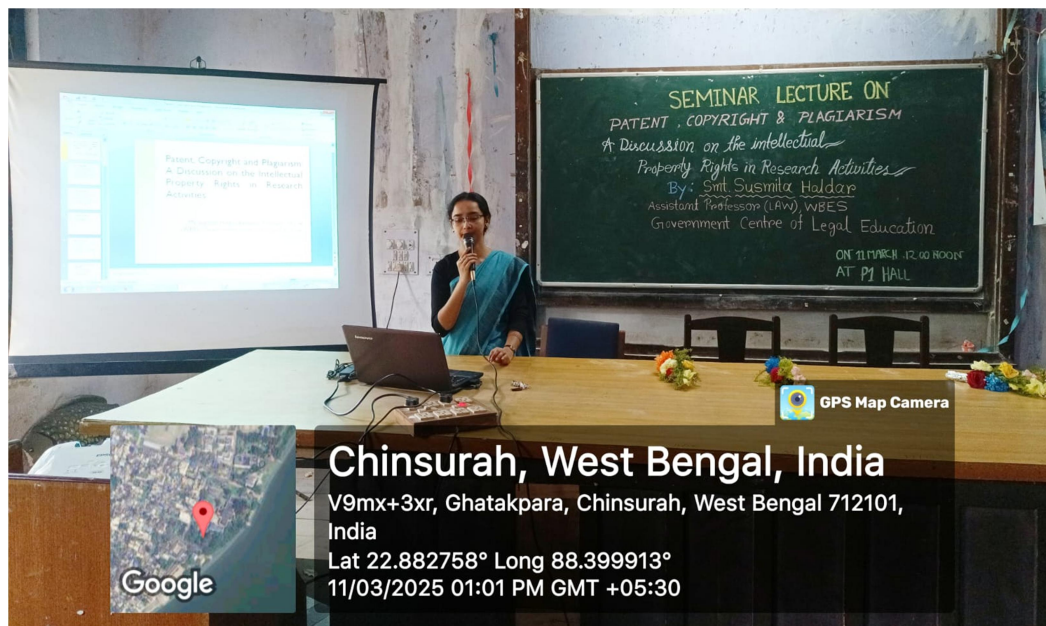

During her lecture, Ms. Haldar elaborated on the procedure for obtaining patents, the rights and responsibilities of creators under copyright laws, and the ethical aspects of academic writing. Special emphasis was given to the issue of plagiarism, its consequences in higher education and research, and the importance of maintaining academic integrity through proper citation and referencing practices. The participants were also introduced to commonly used plagiarism detection tools and best practices for avoiding academic misconduct.

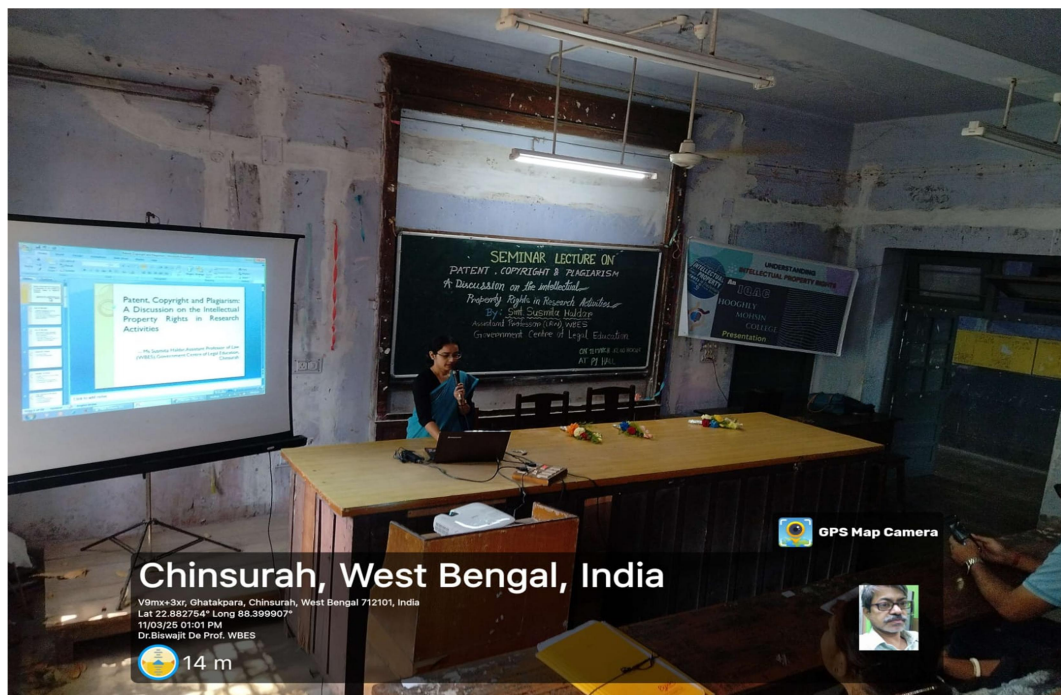

The session was highly interactive, with students and faculty members actively participating in the discussion and raising queries related to copyright ownership, patent filing, fair use, and ethical research practices. The resource person addressed these questions with practical examples, making the session both informative and relevant.

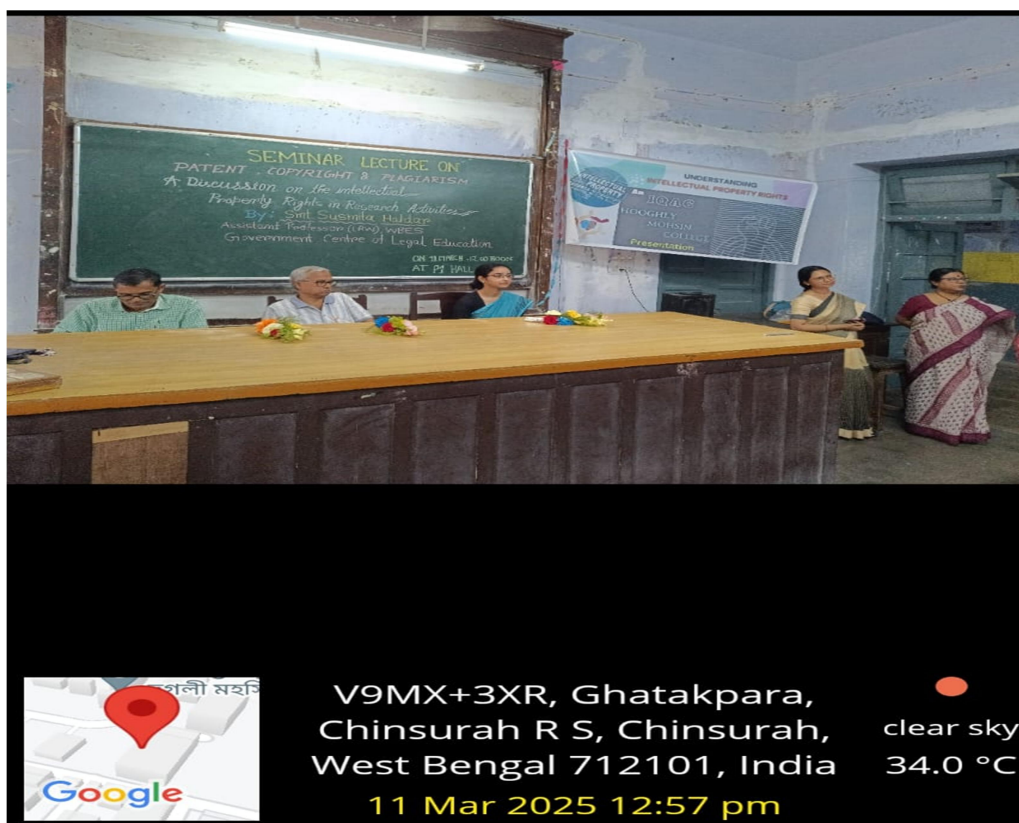

The programme concluded with a vote of thanks to the resource person for her valuable contribution. The participants expressed their appreciation for the enlightening session, which enhanced their understanding of Intellectual Property Rights and reinforced the importance of

ethical practices in teaching, learning, research, and innovation. The programme successfully fulfilled its objective of promoting awareness about intellectual property and fostering a culture of academic honesty within the institution.
